**PROCEEDING**

Hearing taken up. Both the parties are absent.

The Bench observes that substantive order in this matter was passed by the Full Bench on 21.06.2021. However the matter was transferred to the Double Bench for monitoring the progress, if necessary.

The Bench observes that since timelines for completion of various blocks have been given in the order dated 21.6.2021 and since the complainant has not raised any issue , this matter may be closed. If any person is aggrieved with the non-compliance of the orders , they can press the matter through execution proceedings.

With these observations, the cases are disposed of.
