Notice

Subject: Submission of the application for extension of registration at least one month before the expiry of the registration granted

It has been noticed that some Promoters submit the application for extension of registration towards the end of completion date of the Project which creates difficulties to process the application.

In order to enable the Authority to get adequate time to process the applications submitted for extension of registration of projects, Promoters are, hereby, advised to apply for extension of registration of projects within three months prior to the expiry of the registration granted but at least one month before the expiry of the registration granted so that Authority gets at least 30 days to process the application.

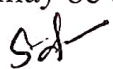

This issues with the approval of competent authority.
